Dementia Australia is the national peak body and charity for people, of all ages, living with all forms of dementia, their families and carers. It provides advocacy, support services, education and information. An estimated 438,000 people have dementia in Australia. This number is projected to reach almost 1.1 million by 2058. Dementia Australia is the new voice of Alzheimer's Australia. Dementia Australia's services are supported by the Australian Government.

National Dementia Helpline: 1800 100 500

An interpreter service is available

(The National Dementia Helpline is an Australian Government Initiative)

Dementia is a National Health Priority Area
