

BeeGees Signed Guitar Donated To Lloyds Bushfire Appeal Auction

Dr David English, First President of British Empire BeeGees Record Label, RSO Records, has kindly donated an Electric Guitar signed by music icon Barry Gibb, to the Lloyds Auctions Bushfire Relief Auction.

“Along with my signed guitar, both Barry and I want to send our heartfelt best wishes to all the survivors both humans and animals of this tragedy engulfing Australia, which will always remain very close to our hearts. All our special love,” Dr English commented.

“The BeeGees are one of the greatest of all-time music sensations, and we are so thrilled to have in our possession an electric guitar signed by Barry Gibb himself,” said Lee Hames, Chief Operations Officer of Lloyds Auctions.

The BeeGees sold over 220 million records worldwide and were declared the third biggest selling record artists of all time.

Australia holds a close place in the hearts of the Gibb Brothers, after the family emigrated to Australia back in the late 50's.

Mr Lee Hames has stated how excited and grateful the team are for such a generous donation from these music legends.

“We are eager to see how much this incredibly exciting piece of memorabilia might be able to raise, with 100% of funds going to the Rural Fire Services.”

“If you are a BeeGees lover, this item is now currently online, and we encourage those who are able, to jump online and have a bid to help support such a great cause,” he commented.

“We are so grateful for the amount of support we have received from the community, businesses and celebrities, and are glad we can do something to help those who are going through a terribly tough time at present,” Lee said.

“As these unprecedented bushfires tear through Australia, we want to help as many fire-affected lives as possible.”
