### **Businessman Mike Radda appointed Co-Chair of First Super**

Regional Director for Herman Miller Australia Mike Radda has been appointed Co-Chair of First Super, as of 1 January 2020, replacing Lisa Marty.

Mr Radda brings over ten years' experience as a director of superannuation funds to his new role and is a long-term employer-nominated trustee of First Super.

A veteran of the furnishing trades, Mr Radda is a former CEO of the Furnishing Industry Association of Australia as well as previously serving as CEO of Interlink Commercial Furniture and UCI.

Lisa Marty steps down from the board of First Super mid 2020 after seven years of service as a trustee and Co-Chair from 2016.

First Super CEO Bill Watson paid tribute to Lisa Marty's contribution to the Fund.

"Lisa's experience and commitment to the sector and First Super members will be missed by the board and Trustee Office."

As an Industry SuperFund, First Super is governed by a Board with an equal number of employer and employee representatives, as well as independent directors.
